“Warm Earth Cottage”

BEFORE THE WESTERN BAY OF PLENTY DISTRICT LICENSING COMMITTEE

The Application

Jan Margaret Wagtendonk applies for the renewal of the ON Licence in respect of premises situated at 202B Thompson’s Track, Katikati and known as **“Warm Earth Cottage.”**

The business is a boutique retreat and low-risk Class 3 restaurant. The current licensed hours are **Monday to Sunday 11.00am to 1.00am the following day** and no changes are sought.

These hours fit within the default national maximum trading hours and the Tauranga and Western Bay of Plenty Local Alcohol Policy.

The application was publicly notified in the Katikati Advertiser on the 6th of October 2022 and no objections were received by the DLC Secretariat from members of the public.

The applicant advises that menus of the food options and low and non-alcoholic beverages available on the premises are available when each booking is made.

Reasons for the Decision

The applicant has operated this business for more several years now and has not come to notice in an adverse manner.

Neither the Police nor the Medical Officer of Health has any matters in opposition.

However, the delegated officer for the MOoH has made a surprising recommendation that there be 3 types of low and 0% alcohol and 3 certificated managers appointed to the activity.

This could barely be a lower risk activity than providing no alcohol at all. The recommendations are unfounded and unnecessary and does the credibility of the MOoH as a reporting agency no credit at all.

One certificated manager is all that is required for this business. Ms. Wagtendonk can host booked in guests on the 3 ½ sacrosanct days if she chooses as long as they are on site for the purposes of dining.

The inspector reports that the amenity and good order of the area has not been adversely affected by more than a minor extent by this low risk activity.

I am satisfied as to the matters to which we must have regard as set out in s131 of the Act.

Accordingly, I will determine the matter on the papers.

We also refresh the licence conditions to reflect best practice.

TGA Box Health & Fitness Limited applies for an on-site Special Licence in respect of premises situated at 50 ATUAROA AVENUE, TE PUKE and known as TE PUKE SPORTS AND RECREATION CLUB INCORPORATED.

The event is a club boxing event where a number of different corporate and professional boxing bouts will occur during the evening.

The applicant seeks the following day and hours: **Saturday 26 November 2022 - 5.00pm to 11.00pm.**

The applicant has provided a detailed list of the substantive food options and the low alcohol and non-alcoholic refreshments that will be available throughout the event.

THE REASONS FOR THE DECISION

The Inspector has provided a report on the application and believes the application meets the criteria for issue.

Neither the Police nor of the Medical Officer of Health raises any matters in opposition.

This is a potentially medium/high risk event and must be overtly and responsibly managed. We note a recent brawl at a similar event in South Taranaki last week required the venue to be closed down by Police.

Intoxication levels must be closely managed.

Subject to the above, I am satisfied as to the matters to which we must have regard as set out in s.142 of the Act.

Accordingly, I deal with the matter on the papers.

Temporary Authority for

known as "**Waihi Beach Hotel**"

BEFORE THE WESTERN BAY OF PLENTY DISTRICT LICENSING COMMITTEE

Chairperson: Murray Clearwater

This is an application by **NC Hospitality Limited** for a Temporary Authority for premises situated at 60 Wilson Road, Waihi Beach known as "**Waihi Beach Hotel**".

An ON Licence, 022/RENON/7727/2019 is attached to the premises and expired on the 17th of October 2022. A renewal application has been lodged to keep the licence live for this transition process.

The application contains supporting documentary evidence for the change of ownership including a signed sale and purchase agreement.

REASONS FOR THE DECISION

The New Zealand Police initially opposed this application as there was concerns about the nature of the sale, and due to a number of intoxicated patron incidents under the control of the existing management team.

The Licensing Inspector did not express any concerns about the suitability of the applicant, nor did they oppose the granting of the order.

The previous operator was operating under Temporary Authority that expired on 5 November 2022. The DLC declined to issue a TA on the papers and the business has been running alcohol free since that date.

The Police have had a number of interactions with Naveen Chhabra and his team since then and are now satisfied that the applicant is genuine and has sufficient qualified staff to run the business.

The Waihi Beach Hotel runs as a high risk tavern style operation especially over the summer. As such it must be operated by experienced competent certificated managers.

The DLC still has a number of concerns as follows:

The triple serves on the drinks menu is to be removed immediately. Serving triple measures of alcohol is an inappropriate promotion and causes rapid intoxication.

Security staff must all hold COA certification with the Crown Controller endorsement. They should be independent of the serving staff and have dedicated roles on the premises. Security staff on duty cannot be the named certificated Duty Manager under this Act.

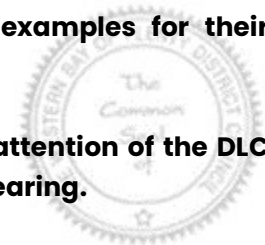

We put the applicant firmly on notice that any alcohol related incidents will bring their ongoing suitability very much in to question.

We expect licensees and duty managers to set exemplary examples for their patrons around the consumption of alcohol.

Any sustained offences under this TA are to be brought to the attention of the DLC and we will immediately set this matter down for an urgent re-hearing.

The agencies will no doubt be reporting to the DLC on the substantive applications in the near future.

Subject to the above, the application will be dealt with by the committee on the papers.

DECISION

The application and supporting information satisfies us that the criteria we must have regard to as set out in s.136 of the Act has been met.

The District Licensing Committee, acting pursuant to the Sale and Supply of Alcohol Act 2012 makes an order for a Temporary Authority to **NC Hospitality Limited** with the following conditions.

Decision number: 022/OFF/8544/2022

IN THE MATTER of the Sale and Supply of
Alcohol Act 2012 (the Act)

AND

IN THE MATTER of an application by **HS
Holding 2021 Limited**
pursuant to s.100 of the Act for
grant of an OFF Licence in
respect of premises situated at
17aMinden Road, Te Puna
known as "**Te Puna Liquor
Centre**"

BEFORE THE WESTERN BAY OF PLENTY DISTRICT LICENSING COMMITTEE

The Application

HS Holding 2021 Limited applies for grant of an OFF Licence in respect of premises situated at 17a Minden Road, Te Puna known as "**Te Puna Liquor Centre.**"

The application comes about following a sale of the business and this applicant currently trades under a Temporary Authority.

The business is a franchised bottle store and meets the criteria of s.32(1)(b) of the Act in that it is retail premises from which more than 85% of the annual sales revenue is earned from the sale of alcohol for consumption somewhere else.

The entire premises is to be designated as a Supervised Area.

The days and hours sought are: **Monday to Sunday 9.00am to 10.00pm.** These hours are within the default national maximum trading hours but outside the newly operative Western Bay of Plenty Local Alcohol Policy as it pertains to off-licensed bottle stores. The Licence will finish at 9.00pm.

Building and Planning Certificates have been sought and granted for this activity.

Public Notification:

The application was notified in the Te Puke Times on the 1st and 8th of April 2022. No objections from the public were received by the secretariat.

REASONS FOR THE DECISION

The Medical Officer of Health has not raised any matters in opposition.

The Inspector reports that the new owners have been operating compliantly under TA and he believes they are unlikely to contribute to the further reduction of the amenity and good order of the area by more than a minor extent.

The Police initially opposed the application believing that the applicants were intrinsically and financially linked to the previous owners who are exiting the alcohol industry due to sustained breaches of employment legislation.

The matter was set down for hearing but then adjourned for the applicant to assimilate the vast amount of disclosure from the Police.

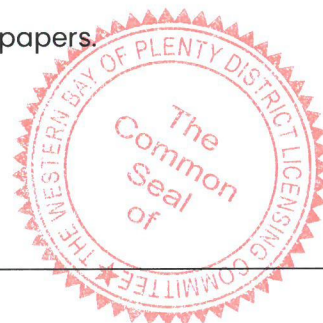

The DLC convened a pre-hearing video conference to set some parameters around disclosure and expected timelines.

However, by email dated 22 November 2022 the Police, somewhat pragmatically, concede that to prove a link on the balance of probability would be difficult and indeed if the DLC was to refuse the application we would require proof closer to the criminal standard of beyond reasonable doubt.

On that basis the Police have withdrawn their opposition.

We make it clear to the operators that there must be no link at all to the Samra group of companies. Suitability must be overtly and transparently established, and closely preserved, in order to continue to hold an alcohol licence.

Subject to the above, I consider the application on the papers.
