The business is a restaurant/cafe where the provision of food will be the principal source of sales revenue.

The days and hours sought are **Monday to Sunday 9.00am to 1.00am the following day**. These hours are within with the Tauranga and Western Bay of Plenty Local Alcohol Policy.

The food is prepared on site and the inspector is satisfied that it is of an acceptable variety and price range and that a range of food offered can be provided within a reasonable time of placing an order.

A Building and Planning Certificate has been sought and issued showing the activity meets Town Planning requirements and those of the Building Code.

## **REASONS FOR THE DECISION**

The application has received supportive reports from the Inspector and the Police. The Medical Officer of Health also has no matters in opposition.

The inspector reports that the amenity and good order of the area is unlikely to be adversely affected by more than a minor extent and that the applicant has sound host responsibility practices.

Licence in respect of  
premises situated at 155A  
Jellicoe Street, Te Puke

Spot"

**BEFORE THE WESTERN BAY OF PLENTY DISTRICT LICENSING  
COMMITTEE**

**The Application**

Amit Kooner Limited applies for renewal of an OFF Licence in respect of premises situated at 155A Jellicoe Street, Te Puke known as "Te Puke Liquor Spot."

The business is a franchised bottle store and meets the criteria of s.32(1)(b) of the Act in that it is retail premises from which more than 85% of the annual sales revenue is earned from the sale of alcohol for consumption somewhere else.

The entire premises is designated as a Supervised Area.

The current days and hours of operation are: **Monday to Sunday 9.00am to 10.00pm**. These hours are within the default national maximum trading hours and the operative Tauranga and Western Bay of Plenty Local Alcohol Policy as it pertains to off-licensed bottle stores.

No changes are sought.

### **Public Notification:**

The application was notified in the Te Puke Times on the 7<sup>th</sup> and 14<sup>th</sup> of February 2019. No objections from the public were received by the secretariat.

### **REASONS FOR THE DECISION**

The Inspector reports that the applicant has operated this bottle store complex compliantly over the renewal period other than one incident in November 2017 where they sold alcohol to an intoxicated person. This resulted in a holding being imposed by ARLA in November 2018 and the licence was suspended from trading for 24 hours.

Neither the Police, nor the Medical Officer of Health, raise any matters in opposition.

The Inspector initially opposed the renewal and the matter was to be set down for a public hearing. This was due to issues around a group of hardened street drinkers and rough sleepers in the town that were breaching the town alcohol ban and creating litter and disorder.

This coupled with the illegal sale of alcohol to an intoxicated person by the staff of Te Puke Liquor Spot late in 2017 tipped the balance for the Inspector and he recommended the renewal be considered in a public hearing.

Subsequently in July 2019 the District Licensing Committee held a public hearing into the renewal in another bottle store in the township.

The evidence presented to the Committee showed that this group of street drinkers appeared to have easy access to alcohol from the town's outlets and were causing significant harm to themselves and others. One member of that group has since been found dead in a backstreet after a heavy drinking session.

As a result of that hearing the agencies and the Committee have drawn a deep line in the sand. In our decision for **HB Enterprises Limited 22/RENOFF/7445/2019** we said:

***90. However, it was pleasing to see the commitment coming forward now from the agencies and the applicant to tackle the issue. Without overstating it, it is sad that it has taken a tragic and foreseeable death, and a renewal of licence, to galvanise the applicant into action.***

91. *We intend to impose a suite of conditions on the renewal that will steer the applicant in the right direction. We expect them to go door knocking, if they haven't already done so, to the other off-licensed premises in town and asking them to come on board and voluntarily adopt the discretionary conditions we intend to apply on this licence and to become actively involved in the Off-Licence Alcohol Accord.*
92. *Some of the measures may upset some 'good' customers, but we say this, sometimes we all might have to accept a little inconvenience in our lives for the greater good of the community. Alcohol is no ordinary commodity. Selling and supplying alcohol comes with serious responsibilities. It is not 'just about operating a business.'*
93. *We are not happy with the prominent position that Kingfisher Strong is displayed in this store. Its current positioning is in a prime location. We would prefer the applicant not to stock this product, or similar items of single serve 500ml high alcohol percentage beverages. If they are to be stocked, they should be placed in a low-profile display area in the store and each can is to have an indelible black line drawn across the bottom of the can prior to being placed on sale.*
94. *Once the other bottle stores and the supermarkets are on board, they will be required to place 2, 3, 4 or 5 black lines on the bottom of the cans. These will be coded back to the store and if found dumped in the reserve or the CBD will give a clear indicator back to the source store. This information should not be used for punitive action but will indicate where additional resources and measures may need to be directed.*
95. *However, should sale and supply issues continue to arise from, or in, the vicinity of this premises we would expect to see firm enforcement action undertaken by the agencies. Shoulder-tap purchases by members of the public who buy alcohol for banned people must be dealt with firmly. The agencies can set up a mini-operation and catch a few such purchasers and make an issue about it by charging them with the offence of supplying an intoxicated person and/or trespassing them from the off-licensed accord members premises.*

We are pleased to see that this applicant has embraced the need for discretionary conditions and by consent they will be applied. For Te Puke Liquor Spot this means there must be no single serves of mainstream beers or RTDs and if products such as Godfather or Kingfisher Strong are sold, they are to be indelibly marked as discussed above.

The commitment and co-operation from the applicant has been sufficient for the Inspector to withdraw his opposition to the renewal and he invites the Committee to consider the renewal on the papers.

Whilst the Inspector and the MOoH believe that the amenity and good order of the locality has been reduced by more than a minor extent it cannot be definitively laid at the door of Te Puke Liquor Spot.

Collectively the off-licensed outlets of Te Puke must step up and restrict the sales of alcohol to the street drinkers and to those that on-supply to them.

We are concerned to hear from the Inspector about the lack of visibility through the front windows and the abusive language observed from a customer who was being denied alcohol because of their state of intoxication.

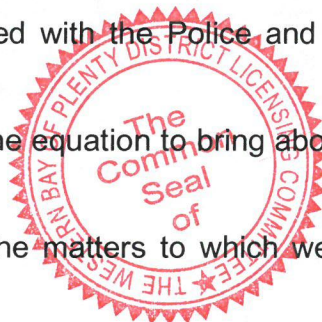

We are not privy to the details of the incident, but we suspect that that individual should have been challenged prior to approaching the counter with alcohol as it is an offence to allow an intoxication person to enter, and/or remain, on licensed premises. Similarly, we hope that the licensee is actively addressing the visibility issues as it is a health and safety issue for their employees and potentially a deterrent to aggressors if their actions and language is in plain view of passer-by's.

We hope that a formal complaint was lodged with the Police and the abusive person identified and banned from the store.

Decisive action is required by all sectors of the equation to bring about a positive change to the CBD of Te Puke township.

Subject to the above, I am satisfied as to the matters to which we must have regard as set out in s.131 of the Act.

We refresh the licence conditions to reflect best practice and to accommodate the new discretionary conditions.

## **DECISION**

The District Licensing Committee Chairman, acting pursuant to the Sale and Supply of Alcohol Act 2012, **approves** an application by Amit Kooner Limited for renewal of an OFF Licence in respect of premises situated at 155A Jellicoe Street, Te Puke known as "Te Puke Liquor Spot," subject to conditions:

**IN THE MATTER** of an application by **Jayson Holdings Limited** pursuant to Section 120 & 127 of the Act for the renewal and variation of an OFF Licence in respect of premises situated at 137 Jellicoe Street, Te Puke, known as "Te Puke Four Square & Lotto"

**BEFORE THE WESTERN BAY OF PLENTY DISTRICT LICENSING COMMITTEE**

**The Application**

This is an application by **Jayson Holdings Limited** for the renewal and variation of an OFF Licence in respect of premises situated at 137 Jellicoe Street, Te Puke, known as "**Te Puke Four Square & Lotto**."

The applicant has been operating this store for 14 months.

The current days and hours are: **Monday to Sunday 7.00am to 10.00pm**. No changes are sought.

These are within the default national maximum trading hours for off licences of 7am to 11pm and within the adopted Tauranga and Western Bay of Plenty Local Alcohol Policy.

The business is a medium-sized open-plan store with shelves and aisles holding food products and other household goods on all sides and a single alcohol area (SAA) in one corner of the store.

The application was notified in the Te Puke Times on the 23<sup>rd</sup> and 30<sup>th</sup> of May 2019 and no objections were received from members of the public.

The applicant has submitted sales figures for the 12 months period immediately prior to lodging the application that indicate that the principal activity is the sale of food products.

The Police do not oppose the renewal. The Medical Officer of Health initially opposed the renewal believing the SSA was non-compliant. They have since been satisfied that the newly redefined Single Alcohol Area is now compliant.

### **REASONS FOR THE DECISION**

The application is complete and contains all the necessary considerations as required under s.127 of the Act. It was duly advertised, and no public objections were received.

The agencies appear to be satisfied that this business is a grocery store and that the amenity and good order of the area has not been adversely affected by more than a minor extent.

**We remind the applicant that the annual sales figures MUST be verified as correct by an accountant according to prepared accounts. We expect Regulation 12(1)(c) to be complied with fully at next renewal.**

Subject to the above the Committee is satisfied that the business is that of a grocery store.

The redefined SAA is clearly displayed on the new plan dated 29 July 2019.

In July 2019 the Committee conducted a public hearing into the renewal of the Te Puke Bottle-O.

In approving the renewal, we made it clear that collectively the off-licensed outlets in Te Puke needed to step up and restrict the supply of alcohol to a group of hardened street drinkers.

In that decision we applied a number of discretionary conditions to the renewal and we said:

- 92. *Some of the measures may upset some 'good' customers, but we say this, sometimes we all might have to accept a little inconvenience in our lives for the greater good of the community. Alcohol is no ordinary commodity. Selling and supplying alcohol comes with serious responsibilities. It is not 'just about operating a business.'***

93. ***We are not happy with the prominent position that Kingfisher Strong is displayed in this store. Its current positioning is in a prime location. We would prefer the applicant not to stock this product, or similar items of single serve 500ml high alcohol percentage beverages. If they are to be stocked, they should be placed in a low-profile display area in the store and each can is to have an indelible black line drawn across the bottom of the can prior to being placed on sale.***
94. ***Once the other bottle stores and the supermarkets are on board, they will be required to place 2, 3, 4 or 5 black lines on the bottom of the cans. These will be coded back to the store and if found dumped in the reserve or the CBD will give a clear indicator back to the source store. This information should not be used for punitive action but will indicate where additional resources and measures may need to be directed.***
95. ***However, should sale and supply issues continue to arise from, or in, the vicinity of this premises we would expect to see firm enforcement action undertaken by the agencies. Shoulder-tap purchases by members of the public who buy alcohol for banned people must be dealt with firmly. The agencies can set up a mini-operation and catch a few such purchasers and make an issue about it by charging them with the offence of supplying an intoxicated person and/or trespassing them from the off-licensed accord members premises.***

We are pleased to see that this applicant has embraced the need for discretionary conditions and by consent they will be applied. For Te Puke Four Square this means there must be no single serves of mainstream beers and if products such as Godfather or Kingfisher Strong are sold, they are to be indelibly marked as discussed above.

We have modified the conditions slightly as grocery stores can only sell beer and wine.

Overall, I am satisfied as to the matters to which we must have regard as set out in s.120 and 131 and s.112-115 of the Act.

Accordingly, I deal with the matter on the papers.

**BEFORE THE WESTERN BAY OF PLENTY DISTRICT LICENSING COMMITTEE**

**THE APPLICATION**

Ms Moz Limited applies for an on-site Special Licence in respect of premises situated on Beach Road, Waihi known as the Waihi Beach Community Centre.

The licence is to support a charity event, the Wearable Arts Show, to be held in the community centre. Up to 400 persons are expected to attend.

The following day and hours are sought:

**Saturday the 31<sup>st</sup> of August 2019 7.00pm to 11.00pm.**

The applicant has provided a detailed list of food options and low alcohol and non-alcoholic refreshments that be provided along with free water for the duration of the event.

**THE REASONS FOR THE DECISON**

The Inspector has provided a report on the application and believes the application meets the criteria for issue.

Neither the report of the Police nor that of the Medical Officer of Health raises any matters in opposition.

A certificated manager will be overseeing the sale, supply and consumption of alcohol. We note that the applicant intends to restrict sales of alcohol to one drink per person per sale. Two per person per sale would probably be more practicable and efficient without compromising the risk of alcohol related harm.

This should be a relatively low risk event and while noting the above, we will not impose a condition on the licence restricting sales to one per person per sale.

I am satisfied as to the matters to which we must have regard as set out in s.142 of the Act.

## **DECISION**

The District Licensing Committee, pursuant to the Sale and Supply of Alcohol Act 2012 **grants** the application by **Ms Moz Limited** for an on-site Special Licence in respect of premises situated on Beach Road, Waihi known as the **Waihi Beach Community Centre** subject to conditions.

in respect of premises  
situated at 99 Beach Road,  
Waihi Beach.

**BEFORE THE WESTERN BAY OF PLENTY DISTRICT LICENSING  
COMMITTEE**

**THE APPLICATION**

Waihi Beach RSA Incorporated applies for an on-site Special Licence in respect of premises situated at 99 Beach Road, Waihi Beach.

The licence is for two semi-final rugby games and the Final of the 2019 Rugby World Cup in Japan later this year.

It is anticipated that there will be up to 290 people attending these events.

By agreement the following days and hours are sought:

**Saturday 26<sup>th</sup> of October 2019 from 9.00 pm to 12.30am the following day**

**Sunday 27<sup>th</sup> of October 2019 9.00pm to 12.30am the following day**

**Saturday 2 November 2019 9.00pm to 12.30am the following day**

The applicant has provided a detailed list of food options and low alcohol and non-alcoholic refreshments that be provided along with free water for the duration of the events.

## **THE REASONS FOR THE DECISION**

The Inspector has provided a report on the application and believes the application meets the criteria for issue.

At least one certificated manager will be on duty during each event.

Neither the report of the Police nor the **final report** of the Medical Officer of Health raises any matters in opposition.

The Medical Officer of health originally opposed the granting of the Special Licence as the application originally sought the hours of 11.00am to 12 midnight.

The games start at either 9.00pm or 10.00pm and are up to 2 hours in duration with stoppages and half time.

The MOoH was correctly in the view that specials around televised events needed to be focussed around the actual screening of the game and that a genuine event was to be developed on the premises around that activity.

Following discussions with the applicant the hours have been modified and other modifications agreed upon. The MOoH opposition has been withdrawn.

The ticketed events will be themed around the Rugby World Cup, including themed food and decorations. In addition, there will be sweepstakes and raffles held on each night in relation to the Rugby World Cup.

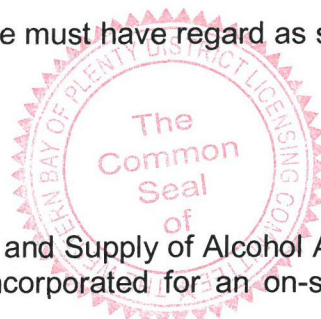

Our view on televised events is this: If the event on the premises is not contrived just to gain additional opportunity to sell alcohol and is properly themed and managed, then a Special Licence can be considered and granted.

We remind the RSA that it is a privilege to hold an alcohol Licence and their ongoing suitability to hold such licences is based on the nature of the proposed events and previous performance.

Accordingly, I am satisfied as to the matters to which we must have regard as set out in s.142 of the Act.
