## Significance and Engagement Policy

### 1. Relevant Legislation

Local Government Act (LGA) 2002.

### 2. Purpose of Policy

The purpose of this Policy is to let both Council and the community identify the level of significance of particular proposals or decisions, and to understand when and how the community will be engaged in making decisions.

This Policy is one of the inputs into Council's approach to sustainable decision making. The approach to sustainable decision making is set out in Schedule 1 to this Policy.

### 3. Policy Objectives

**3.1** To set out how the level of significance of a proposal or decision is determined.

**3.2** To set out how Council will engage with the public about particular proposals or decisions, depending on its level of significance.

### 4. Policy

**4.1** Council will take into account the following matters when determining the level of significance of a proposal or decision:

- Whether there is a legal requirement to engage with the community and what that requirement is (see policy 4.4 and 4.5)
- Whether the proposal or decision affects the level of service of a significant activity
- The level of financial consequence of the proposal or decision
- Whether the proposal or decision affects a large part of the community, and the extent to which they are affected
- The likely impact on future and present interests of the community, recognising Maori cultural values and their relationship to land and water
- Whether community interest in the proposal or decision is high, and /or there are divided community views
- Whether community views are already known from previous engagement processes
- Whether the decision is reversible

**4.2** In general, if a proposal or decision is affected by a number of the above matters, the higher its level of significance, and greater the need for community engagement.

## Significance and Engagement Policy

- 4.3** Council will decide early in each process the appropriate level of engagement to support decision making, and will apply the principles of engagement set out in Part 5.
- 4.4** In some instances legislation requires Council to follow either the Special Consultative Procedure (SCP) set out in Section 83 of the LGA 2002, or the principles of consultation set out in Section 82 of the LGA 2002, regardless of the level of significance of a proposal or decision.
- 4.5** In accordance with Section 97 of the LGA 2002, some decisions will only be taken if they have been consulted on and provided for in a Long Term Plan. This includes a decision to alter significantly the intended level of service of a significant activity, and a decision to transfer the ownership or control of a strategic asset to or from a local authority. Council's strategic assets are listed in Schedule 2 to this policy.
- 4.6** For all other proposals or decisions Council will determine the appropriate level of engagement on a case by case basis, applying the engagement principles set out in Part 5 of this policy.
- 4.7** Engagement will be informed by Council's Community Engagement Guidelines and Tangata Whenua Engagement Guidelines and Protocols. A summary of the engagement spectrum and tools is provided in Schedule 3 to this policy.
- 4.8** Council, through its Tangata Whenua Engagement Guidelines and Protocols, recognises the specific obligations set out in Section 81 of the LGA 2002 to establish and maintain processes to provide opportunities for Maori to contribute to Council decision-making processes.
- 4.9** If Council makes a decision that is inconsistent with this policy, the steps identified in Section 80 of the LGA 2002 will be followed.

## 5. Principles of Engagement

Engagement will be:

- Meaningful - based on an open mind and willingness to listen.
- Respectful - with the aim of building council-community relationships.
- Supported by the provision of information which is balanced, sufficient and in plain language.
- Inclusive and endeavour to reach all those affected.
- Flexible and tailored to the needs of those who are being engaged.
- Coordinated across Council departments to minimise duplication and engagement fatigue.
- Pragmatic, efficient and value for money.

### 6. Policy Procedures

- 6.1** Council will use an internal significance checklist, alongside each report to Council / Committee, to ensure the proposal or decision has been assessed against the matters set out in Policy 4.1.
- 6.2** Each Council report will include a section on Significance, detailing the level of significance of the particular proposal or decision and the rationale for why that level has been determined.
- 6.3** Each report seeking a decision will detail the level of engagement appropriate to the proposal or decision, and tools that will be used to engage. The Community Engagement Guidelines and Tangata Whenua Engagement Guidelines and Protocols will be used to inform engagement decisions.
- 6.4** The following financial thresholds will guide analysis of the level of financial consequence of a proposal or decision. Proposals or decisions above these thresholds will be considered to be of high significance:
- Decisions or proposals in excess of \$8 million or which would result in a 5% or more increase in the annual District rates.
  - Decisions or proposals which would result in a new or increased targeted rate of more than 10% of existing rates per property.
