District Council

**BUSINESS WASTE  
MINIMISATION**

# Reduce your business waste & save money

*Find out how...*

Western Bay of Plenty District Council is committed to reducing waste through its Business Waste Minimisation programme.

It's a **FREE** service that will enable your company to:

- Reduce business waste
- Save money on disposal fees
- Enhance your environmental image

*We can help...*

- Provide a free on-site waste audit
- Reduce waste disposal costs
- Educate your staff
- Deliver advice from an independent consultant
- Lower your environmental impact
- Encourage efficient use of resources
- Increase recycling rates.

SERVICE**

---

***“At our Paengaroa site, we’re reusing, recycling, reselling, returning or composting 85% of our waste.”***

*Alan Bougen - Comvita co-founder and Deputy Chairman.*

---

***“Our waste reduction initiatives reduced our disposal costs by 85% over the last four years.”***

*Alister Hawkey - Executive Director, Trevelyan's Pack and Cool.*

---

***“If we stopped recycling tomorrow, our waste bill would immediately jump by close to 90%.”***

*Ian Smith - Owner, Waihi Beach Top 10 Holiday Resort.*
