In an emergency, you may be stuck at home for three days or more. Work out what supplies you need for your household. Don't forget pets and those with medical and dietary needs.

### What supplies will I need?

Talk to your whānau about how you will get through an emergency. Consider:

If you can't get home, where will we meet?

Who will pick the kids up from school/day care if we can't?

Who: \_\_\_\_\_ Tel: \_\_\_\_\_

If we can't get hold of each other, who will we check in with?

Who: \_\_\_\_\_ Tel: \_\_\_\_\_

If we need to evacuate, where will we go?

Who might need extra help?

Who: \_\_\_\_\_ Tel: \_\_\_\_\_

### Make a household emergency plan

What would you do in an emergency?

Are you prepared for any of the following situations?

No internet or phone

Where will the dog go?

Who will help Gran and Koru?

Can't get home

Need to evacuate

Know the hazards and associated risks in your area.
