

# Strategic Priorities

The 'nuts and bolts' of a Council are to provide key infrastructure, like clean drinking water, rubbish and recycling services, roads, playgrounds, libraries and swimming pools.

We pride ourselves on doing this well, however we know that communities are so much more than that.

We are focused on building and supporting happy, healthy communities where people can live good, fulfilling lives.

Our Community Outcomes and Strategic Priorities are our commitment to you, both now and into the future.

They will guide how we prioritise investment and resources, over the next 10 years.
