Hi ,

1: When they come out to look over the place of interest can they please note the exit into and out of Arawa Rd from the main Rd With kids getting on and off buses on ether side of the main Rd at peck user times.

2: The placement of the Sewage treatment area in relation drains , where they go and to remember this all end up at little Waihi eastery, where there very little shell fish left.

Kia ora,

Plan Change 95 – Pencarrow Estate – Hearing Direction 3

Please find attached Hearing Direction 3 which confirms and formalises the verbal directions given by Commissioner Kemble immediately prior to the adjournment of the hearing.

If you have any questions please don't hesitate to contact me.

Kind Regards,

Lauren Coyle
Planning Co-ordinator
