**IN THE MATTER** of the Sale and Supply of Alcohol Act 2012(the Act)

**AND**

**IN THE MATTER** of an application by **Jayara Brothers Limited** pursuant to s.100 of the Act for a new ON Licence in respect of premises situated at Unit 1, 160 Ōmokoroa Road. Ōmokoroa to be known as **"House of Spice Indian Restaurant Ōmokoroa "**

**BEFORE THE WESTERN BAY OF PLENTY DISTRICT LICENSING COMMITTEE**

The Application

**Jayara Brothers Limited** applies for a new ON Licence in respect of premises situated at Unit 1, 160 Ōmokoroa Road, Ōmokoroa to be known as **"House of Spice Indian Restaurant Ōmokoroa."**

This is a new business in which the provision of food will be the principal source of sales revenue. It will effectively run as a class 3 restaurant.

The application was notified in the Weekend Sun on the 23<sup>rd</sup> of February and the 1<sup>st</sup> of March 2024 and no objections were received from members of the public.

The days and hours sought are **Monday to Sunday 11.00am to 11.00pm**. These days and hours are within the operative Western Bay of Plenty Local Alcohol Policy.

If they wish to open earlier for food and coffee that is a matter for them to decide.

The applicant has provided a detailed menu of the food options they intend to sell and the low alcohol and non-alcoholic refreshments that will be available.

The food is prepared on site and the inspector is satisfied that it is of an acceptable variety and price range and that a range of food offered can be provided within a reasonable time of placing an order.

A Building and Planning Certificate has been sought and issued showing the activity meets Town Planning requirements and the Building Code.

### **REASONS FOR THE DECISION**

The application has received positive reports from the Inspector and the Police. The Medical Officer of Health has not reported on the application.

The inspector reports that the amenity and good order of the area is unlikely to be reduced by more than a minor extent and that the applicant has sound host responsibility practices.

The first year of a new licence is often called the 'probationary year' and no doubt the regulatory agencies will monitor the licence from time to time.

Overall, I am satisfied as to the matters to which we must have regard as set out in s.105 & 106 of the Act.

We consider the application on the papers.

**THE REASONS FOR THE DECISION**

This application is for three events to be held at the Katikati RSA and Citizens Club in Katikati.

**First Event:**

To commemorate ANZAC day on 25 April 2024. There was some discussion between the reporting agencies and the applicant, as to whether such a long period should be licensed for non-club members. Having read the comments I am of the view, that given the unique nature of ANZAC day, some flexibility should be given to allow those attending to commemorate in the one place should they so choose. It will still be incumbent on the licensee to ensure that the provisions of the Act are complied with.

It is expected that around 200 persons expected to attend this open to the public event.

**Second Event:**

A Club Day event to be held on Saturday 11 May 2024 is open to the public with around 150 persons expected to attend.

Third Event:

A Band Event to be held on Saturday 25 May 2024 is open to the public and with around 150 persons expected to attend.

The Inspector has provided a report and believes that the application meets the criteria for issue.

For the purposes of the events, **Paul Cronin** or another properly certificated duty manager, has been appointed to manage the conduct of the sale of alcohol and ensure compliance with the Act.

Neither the Police nor the Medical Officer of Health has raised any matters in opposition.

I am satisfied as to the matters to which we must have regard as set out in s.142 of the Act.
